Pittman Center Elementary School

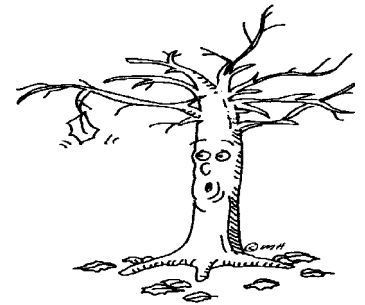

Volume 2 Issue 2

Fall Festival set for November 1

This year's annual Fall Festival is set for November 1, 2008. Children are in full force fundraising now through that date. Dinner tickets are now on sale for \$7.00 adults

and \$3.00 for children. Purchase tickets from your child's classroom so the money will go toward the grades' king and queen. Dinner will include turkey with all the trimmings. Games and prizes will be from 5:30—7:30. Game tickets are 25¢ each. The silent auction is from 4:00-6:15 and will have some great

items this year. The live auction will run from at 6:30-8:15. You won't want to miss this one. Kings and Queens will be presented at approximately 8:15 .

Kindergarten, 1st, & 2nd complete D.A.R.E. classes

Students in kindergarten, 1st, and 2nd grade finished up this week on their D.A.R.E. lessons. These lessons include information on

safety, drugs, alcohol, tobacco, how to say no, feelings, and much, much more. 3rd and 4th grade will begin their D.A.R.E. lessons this

month. We are proud of all of our D.A.R.E. students and proud to be a drug free school.

D.A.R.E.

October Calendar

- 7- Volleyball tournament
- 8- Grade card distribution
- 9- Parent-teacher conferences

Save your Boxtops, Campbell Soup Labels, Coke Rewards points

Please continue to save your Boxtops, Campbell Soup Labels, and new for the year, Coke Re-

wards Points. Send those items with your child to put in their classroom containers

Don't forget to re-register your Food City Value Card to Pittman Center School and tell all of your friends and family

Nurse Notes

Thank you to all the parents who have signed and returned the SMART forms (student medical assistance response team). For those who haven't returned the forms, please read the packet and return as soon as possible. The program should start Oct. 6. Please call me with any questions! Nurse Cristy

S.M.A.R.T. (Student Medical Assistance Response Team)

Telemedicine is a way to connect your child to medical providers while your child stays at school. The telemedicine connection is a secure, two-way video link with your child and the school nurse on one end, and a medical provider on the other. During the visit, you child can be screened, examined, diagnosed, treated, and monitored. Special equipment gives the provider the ability to examine your child's ears, eyes, nose, throat, lungs, skin, etc. Your child can be seen for the following concerns: cuts/abrasions,

rashes, pink eye, coughs/colds, strep throat, earaches, and/or flu-like symptoms.

For students with TennCare or CoverKids insurance coverage, Cherokee Health Systems will submit claims to the insurance company (standard co-pays will apply). For students without insurance, services will be provided for \$5.00 per visit, with a minimal charge for lab services. Although Cherokee Health Systems is a provider for other insurances, it is recommended that you contact your insurance company to see if Cherokee Health is a provider on your plan.
